

Bagawat Geeta, Class 54

In the first chapter of Geeta, Vyasa chariyar revealed the human problem of samsara in the form of raga (emotional dependents of external factors), sogaha (grief or sorrow) and moga (delusion or conflict or indiscriminate). When Arjuna had this problem in the battlefield, he tried to solve this problem himself and was not successful and took the action of surrendering to the Lord. Lord Krishna accepted the role of Guru

In the second chapter, Krishna took the approach that the self-knowledge is the only solution. No other solution can solve the problem. And therefore, Krishna tried to give the self-knowledge to Arjuna. Geeta talks about many topics but Gaeta's primary teaching is atma vidhya. In this chapter, Krishna gives the entire range of sadhanas for this knowledge. In this chapter, Krishna taught the two sadhanas: Karma yoga and gyana yoga. Karma yoga is prescribed as a means of mental purity. Krishna makes it clear that karma yoga can only give preparatory knowledge. Gyana yoga involves self-inquiry through the scriptures under the guidance of a competent guru. The second chapter is the summary of Geeta.

The third chapter is elaboration of karma yoga. The fourth and fifth chapters are expansion of gyana yoga.

Krishna takes a small diversion initially to discuss two topics of chapter 4. The two topics are and glorification of Geeta and avatara ragasyam. Krishna wants to emphasize that the teachings of Geeta are vedic teachings and are beginning-less.

Verse 1

The Lord said I imparted this eternal yaga to Lord Sun. Lord Sun taught the same to Manu. Manu taught it to Ikshvaku.

I have given the same teaching in the form of Veda. Krishna says Geeta is the new name for Veda. I revealed this wisdom to Surya Bagawan. This teaching can never go out of date. It is relevant even now in the 20th century.

Surya Bagawan taught this teaching to Manu. Manu taught this to the King Ikshvaku.

Verse 2

Oh Arjuna! The royal sages knew this which was thus traditionally handed down. Due to long passage of time that yaga is lost in this world.

All the raja rishis (kings) knew this teaching. Gradually people started losing interest in this teaching. Therefore, Krishna is revising this teaching in the form of Geeta.

Verse 3

That very same ancient yoga in this which has been taught by Me to you now, because you are My friend and devotee. This indeed is the highest secret.

Veda Purva teaches karma yoga and called karma kadam. Veda Anta teaches gyana yoga and is called gyana kadam. This is the oldest teachings. Krishna chose Arjuna for this teaching, because Arjuna asked for it and because Arjuna is the friend of Krishna.

Self-knowledge is the greatest secret, because what we are searching for is within ourselves. Therefore this wisdom is called uthama ragasiyam.

Verse 4

Arjuna asked: Your birth is later. The birth of Lord Sun is much earlier. How am I to understand this statement of Yours that You have taught Lord Sun in the beginning of the creation?

Vedas are called sruthi because the Rishis heard internally; all other scriptures are called smirhti.

Arjuna says that I can understand that you are teaching me Geeta, but I can't understand how you can also teaching Surya Bagawan at the time of creation, when we both are of the same age. What is the secret of your contrary statement? If you have taught Surya Bagawan, you can't teach me. If you are teaching me, you can't teach Surya Bagawan. As an answer to this question, Krishna will discuss Avataras.

Swamiji's New Year Message

Swamiji's gave a special talk on the new years day and the topic for this year was "Power of Prayer". Please click on the link below to listen to this special class:

Swamiji Talk on Power of Prayer

Bagawat Geeta, Class 53 – Summary of Chapter 3

In the second chapter Lord Krishna discussed karma yoga and gyana yoga, focusing more on gyana yoga. Lord Krishna begins second chapter with gyana yoga and concludes the second chapter with sthira pragya. In between the two, he discusses karma yoga and asks Arjuna to do his karma, which is to fight the Mahabaratha war. Lord Krishna glorifies gyana yoga but

asks Arjuna to do karma yoga. Arjuna finds this unacceptable.

Introduction Verses 1 to 7

Arjuna asks should I follow Gyna Yoga or Karma Yoga. If you consider Gyana Yoga is better, then why should I fight the war? In answering this question, we should note the following points:

1. There is no choice between karma yoga and gyna yoga. It is apples to orange comparison.
2. Qualifications for gyana yoga can be obtained only through karma yoga. Qualifications are detachment, purity, maturity. Many of us do not have these qualifications.
3. Moksha can be obtained only through gyana yoga.

Follow karma yoga to obtain qualifications; Use the qualification to acquire gyana yoga; Use Gyana yoga to obtain moksham. All other yogas like japam, parayanam etc. are all part of karma yoga. There are no other yogas other than karma yoga and gyana yoga.

Arjuna's question was wrong; both yogas should be followed. There is a choice regarding marga or life style; one can follow sanyasa asrama or gragasthasram; but both sanhyasi and grahastha should follow karma yoga and gyana yoga.

Which is better? Grahasthasram or sanyasa asram? Krishna is clear that grahasthasram is better for most people.

Karma Yoga Verses 8 to 20

In these verses, Krishna elaborately discusses Karma yoga. Karma: Proper action; Yoga: Proper attitude. So proper action with proper attitude is karma yoga.

Types of actions:

1. Satvic – Promotes the spiritual progress the most; Best

action; beneficiaries are more; unselfish

2. Rajesic – Mediocre; promotes some spiritual growth; Beneficiaries are less; confined only to family; selfish actions.
3. Tamasic – Does not promote spiritual growth, but results in degradation of spiritual growth; Harmful action; worst action. I get the benefits, but others get harmed.

Perform panca maha yagya to improve spiritual progress and become satvic. The goal is to become samtvaṁ by accepting all results as a eeswara prasada.

Reasons to follow Karma Yoga, in four different angles:

1. Follow karma yoga as the command of God; follow out of fear of god
2. Follow karma yoga as a sense of gratitude or yagyaha
3. Follow karma yoga as a purifier of kama and soga
4. Follow karma yoga as dharma by which cosmic harmony can be maintained.

Verse 20, second line to verse 29: Duties of a Gyani

Gyani does not require any sadhana (karma yoga, gyana yoga etc.) because he already achieved the goal of gyanam. But as long as he is in the society, he should follow karma yoga as a model to the society. In this verse, Lord Krishna is indirectly advising all elderly people to be role models for rest of the society.

Verses 30 to 35: Summarizes karma yoga; verse 30 is most important;

Krishna gives five-part process of Karma Yoga:

1. Make the Spiritual goal as the primary goal; all other goals are subservient to this goal.
2. Eeswara arpana buddhi: Dedicate all your actions to god

so you don't hate any of your duty

3. Eeswara prasadha budhhi: Be prepared for any future situations because future is not under your control. You are not the only one responsible for your success. Accept any result as Eeswara prasadam.
4. Nirmamaha: when success comes don't claim total credit
5. Maintain mental poise/balance

Verses 36 to 43: Obstacles of karma yoga:

Arjuna asks Lord Krishna what are the obstacles of karma yoaga.

Lord Krishna answers Kama/krodha or raga dvesha; materialistic attractions; Artha kama is important, but dharma moksha is also important. But when artha kama becomes more important than dharma mokhsa, that becomes an obstacle. There are two stages handle this obstacle:

First Stage: handle in relative measures;

1. Dhamaha – Mastery of sense organs; don't let anything enter your mind without control.
2. Shamaha – Discipline of mine and thought pattern. Undisciplined mind has a tendency to get attracted to anything.
3. Vivekaha – Discrimination; understanding that finite plus finite is always finite; insecurity plus insecurity is more insecurity. Understand that I am complete (poornatvam) with myself and I will not be full with any amount of acquisition.

Second Stage: Obsolete solution is to discover fullness and security within myself.

Saddharshanam, Class 8

All pairs of opposites and triads shine, taking the support of some entity. When that is searched, all will get dropped. To them who see the Truth, there is never any wavering.

The idea given in this verse is self-inquiry always means atma vichara, even though we can loosely describe it as ahangara vichara:

- Atma vichara will lead to atma gyanam
- Atma Gyanam will lead to destruction of atma agyanam
- Atma agyanam is all the errors committed regarding atma; Destruction of these errors is technically called adhyasa nasa. These errors are called ahangara. The false I, born out of ignorance of real I, is ahangara.

When the rope in front of me is not clearly known, there is rope ignorance. Rope ignorance leads to snake. The rope is the subtractum of the snake. You tackle the snake by inquiry into rope adhishtanam. Never attack unreal always attack or inquire into the real adhishtanam. Rope inquiry will lead to rope knowledge. Rope knowledge will lead to rope ignorance destruction. Rope ignorance destruction will lead to the destruction of snake knowledge. In the place of rope, we have atma and in the place of snake we have ahangara. Once ahangara is destroyed, all forms of dualities (subject and object) and thirupidies or triads (subject, object and instrument) are destroyed. Thirupudi and dwandams are unreal and require an adhistanam or substratum, which is atma vasthu.

All dwandas or pair or subject object pairs are born out of ahangara. All of them are supported by atma. If these unreal dwandam or triads are to be destroyed, don't attack the ahangara; attack the adhishtanam, the support which is atma. No dream activity will remove the dream; you must wake up to destroy dream. Similarly, to destroy ahangara, you need to

get the knowledge of atma. When knowledge comes, ignorance go away; when ignorance go away, all the unreal dvaidda and triad get resolved. This results in the establishing the adhishtanam, atma.

In this instance, Ramana Maharishi only talks about the significance of atma vichara and not the procedure for atma vichara. Any pursuit requires employment of appropriate instrument for the pursuit of knowledge. For example, to know the color of crow you need eyes. Simple process of questioning will not generate knowledge. For atma vichara, the regular instruments (mind and sense organs) are incapable, insufficient and irrelevant. They are extrovert, turned outside. The instrument of atma vichara is guru sathra upadesa. Inquiring to atma is exposing to traditional teaching or Vedanta vichara. The procedure for atma vichara is vedanta sravana manana nidhidhyasanam.

Verse 12

If there is no ignorance, how does knowledge shine? Without knowledge, does ignorance shine? And whose are the two? Thus, having inquired, abidance in the original nature is the knowledge of the Truth.

If darkness is the problem, light is the only solution. Similarly, to remove ignorance (internal darkness), gyanam is the only solution. Gyanam is a relative entity falling within duality, opposing ignorance and therefore gyanam is also mithya. You can't conceive of gyanam without the concept of ignorance and therefore knowledge and ignorance also come under Dvaiddam. Arrival of one displaces the other. Initially we should pursue gyanam and destroy ignorance and after gaining gyanam we should disown gyanam because claiming gyanam is also a form of ahangara. You should say I am the adhishtanam of gyanam and ignorance and different from both. If knowledge, vidhya is also a mithya, why should I pursue it? Vidhya mithya is required to remove avidhya mithya. Once

avidya is removed, you should disown both. It is like using soap to remove dirt. You apply the soap to remove the dirt but after that you wash off the soap. Similarly, to remove ignorance, you obtain knowledge. But after removing the ignorance, you disown knowledge.

Both gyanam and agyanam are associated with ahangara and this is the real knowledge. Gyana nishta is the availability of this knowledge, effortlessly. We can recall our phone number, names etc. when needed, without any effort. Gyana Nisha is the availability of gyanam effortlessly.

Verse 13

Can that be true knowledge when the knower does not know himself? To one who knows oneself, the support of knowledge and the object of knowledge, the two will vanish.

Without understanding ourselves, we are trying to understand one anatma after another. Without knowing about oneself, knowing about everything else is a fruitless pursuit. Apra vidhya is as good as avidhya (ignorance). Apra vidhya, without para vidhya is mithya. Atma alone functions as a knower, without knowing that knower, all other knowledge is false.

Knowledge of anatma is not useful because:

1. It is knowledge of anatma and anatma being mithya and knowledge of a mithya will not be a great knowledge.
 2. Anatama gyanam will not free the individual from the sense of limitation which is the problem of samsara.
-

Bagawat Geeta, Class 52

Arjuna's, asks in verse 32 what is the obstacle to the practice of Karma Yoga and ultimately Gyana Yoga? Why is that many people are not able to follow karma yoga? Lord Krishna's answers that it is because of raga dwesha kama krodha or moha and delusion. This is due to confusion regarding priority of life. Artha and kama becomes more important than dharma and moksha.

Goals of humans are Artha, Kama, Dharma and Moksha or Wealth, Entertainment, values and spiritual freedom. On one side, we have wealth and entertainment and the other side we have values and mokshas. One who has clarity that moksha and dharma is more important is a viveki. Kama is the main problem and krodha is only kama in a different form. Struggling to complete myself with wealth, family etc. is kama. Since obstructed kama is krodha, controlling kama is required.

Solution to Kama:

- Dhamaha: Discipline of sense organs; filtering what enters mind through sense organs at every level
- Samaha: Mental discipline; Discipline at mental level; unhealthy thoughts should be nipped in the bud, like how the enemies and diseases are nipped in the bud. Unhealthy thoughts are like a terrorist or internal enemy and should be controlled.
- Vivekaha: Discipline at intellectual level. I, the finite thing, will remain a finite thing with the acquisition of any finite thing. Security and fullness must be found in myself. Mistaken I is the source of all sorrow.

Verse 42

They declare the sense organs to be superior to the sense

objects. The mind is superior to the intellect. The intellect is indeed superior to the mind. That which is superior to the intellect is indeed that Self.

These three-fold solutions are temporary and not a permanent solution. Self-knowledge is the only permanent solution. Desire is a symptom or expression of incompleteness. It will go away only with poornatvam or the knowledge that I don't lack anything and I don't miss anything.

Dhayananda Saraswathi states that "converting everything around me into luxury is moksha". When things around me are necessities, it is samsara; when they luxury, it is moksha.

Paraha (superior) Atma signifies three:

1. Sukshma; subtle; a subtler thing is called superior.
2. Mohanthaha: Ever pervading
3. Prathyaha: Closer to you

A subtle thing (atma) controlling gross body etc.

- Sense organs are superior to sense object. Because of the existence of sense objects are revealed by sense organs.
- Superior to sense organs is the mind because sense organs can function only with mind. If the mind is not functioning properly, sense organs can't function.
- Superior to mind is intellect. Mind has two functions: doubting and emotions. Both can be controlled by knowledge or discriminating intellectual power. Gyani is the one who is not under the grip of emotion because he can control it; note that he does have emotion, but he knows how to control it. This was very well explained in Katho Upanishad by comparing the body to a chariot, the sense organs to the horses, the mind to the charioteer.
- Atma is superior to intellect. Atma is the consciousness because of which I know the intellect. I the subject

can't be questioned, because only the subject makes the object aware. That awareness is atma.

Verse 43

Oh Arjuna! This knowing the Self which is beyond the intellect, and steadying the mind with the mind, conquer the elusive enemy which is in the form of desire.

The ultimate object is to know the chaithanyam or atma which is:

- Not a part or product of the body Atma
- Atma is independent of the body;
- Atma is limitless;
- Atma is eternal;
- Atma survives the fall of the body, but not available for transactions because there is no medium.

Atma is like light. When light pervades the hand, you see the hand but not the light; but the light is there. It is also there beyond the hand. Similarly, atma is not only in your body but also extends beyond your body. One should know this and own up to the fact that this formless consciousness is the real I. The real transformation is the transcending the form, that I am the formless consciousness. Body and mind are like the instruments I use to transact with the world. By claiming the new identity, we should change our orientation from physical body to formless consciousness. This new orientation is gyana nishta. The physical body is limited, but I am not limited.

Gyana Nishta is internalizing this knowledge and ready availability of this knowledge at the time of difficulty. This comes by dwelling on the teaching in any form – by teaching, writing, thinking, sharing etc.

Bagawat Geeta, Class 51

Greetings All,

Shloka # 38:

आग्नौ धूमो ज्ञाने धूमात् ।
अस्य कर्माग्निन्मया ॥ ३३८ ॥

Just as fire is obscured by smoke, a mirror by dirt and embryo by the womb, so is knowledge by craving.

Continuing his teachings of Gita, Swami Paramarthananda said, now Arjuna asked a question “how come a person violates Dharma in spite of his desire to be a good person? Everybody knows dos and don’ts. In spite of this knowledge of right and wrong, how come this corruption comes in?”

Sri Krishna says it is nothing but Kama and Krodha. He however, does not explain how they rise in us. They are actually products of Self-Ignorance. Without Self Knowledge this problem will continue. So long as I feel I am a limited person, a sense of incompleteness will be there, and this problem will continue. It may manifest in a vague form (not happy but do not know why) or in a crystallized form such as I have no wife, no house etc. Ragas may change but Sruthi will not. Self -Ignorance is the cause of Kama and Krodha. They are the cause of violation of Dharma. How do they affect Dharma? Since desire and anger cloud discriminative power, our capacity to know what is Dharma and Adharma is clouded. Dharmaputra had the same problem, as did Ravana. Ravana was after all a great Shiva Bhakta. It is not lack of intelligence. It is temporary clouding of our discriminating power. How Kama covers Vivek Shakthi was discussed in Shloka # 38. This is the reason Kamo Karishe, Manyur Karishe is chanted

during Amaniavattam ceremony.

Shloka # 39:

ज्ञानं ज्ञानादधमं ज्ञानादधमं ज्ञानादधमं
ज्ञानादधमं ज्ञानादधमं ज्ञानादधमं ज्ञानादधमं 3.39

Knowledge, O son of Kunti, is obscured by this persistent foe of the knower, i.e. by craving, as by an insatiable fire.

In previous shloka, Sri Krishna said, Kama and Krodha cover our judgment faculty. Both Kama and Krodha are like two sides of a coin. They are the same. What type of Kama? It is a desire that is similar to fire. Fire will destroy its locus. Desire destroys the mind. It is an insatiable desire like a fire. Oblations cannot fulfill it. Fulfillment of desire leads to even more desire. It can't be satisfied.

Citing story to illustrate this desire, Swamiji said, there was lottery where the prize of the day was a watch. A man won the watch. However, the next day the prize was a scooter. The man who won the watch felt hurt that he had not won the scooter and only got a watch. This is Kama and it is insatiable. The fire is called Kama Rupena. The Kama is an eternal enemy of a scriptural student. It is not an enemy of a non-student. A non-student does not consider desire a weakness and he fully indulges in fulfilling his desires. Now, after studying Gita, I will feel guilty. Citing another example, a man has Diabetes. He nevertheless enjoys all sweets. He also suffers from the consequences. But if a man knows eating sweets is bad for him, even as he eats he feels guilty. Such a person with knowledge suffers before, during and after. While, the ignorant one suffers only afterwards. So either be ignorant or be Knowledgeable. For all those in between, Kama is an eternal enemy. This desire clouds our discriminative power. For a spiritual student, power of discrimination is very important. This power is the first stage of Dharma and Adharma Viveka.

The Gyani needs to know Satya and Asatya. Discrimination is required through out spiritual life. Sadhana Chatushtaya Sampana is required. Kama robs Vivek Shakti.

Shloka # 40:

अविवेकः कमादिवर्जितः कमादिवर्जितः कमादिवर्जितः
अविवेकः कमादिवर्जितः कमादिवर्जितः कमादिवर्जितः 3.40

His abode is said to be the senses, mind and intellect. BY means of these he obscures knowledge and deludes the embodied man.

I am a spiritual seeker and Sri Krishna has pointed out that Kama is my enemy. If so, how to win the war against Kama? Arjuna is a warrior, Sri Krishna is also a Warrior, and hence the analogy of war is used. When a country attacks another country the attacker needs a base. Without a base they cannot support the army. A nourishing base is required. I have to know the enemy bases. This will destroy enemy capabilities. Kama also needs a base to nourish it. They have to be destroyed. What are the bases of Kama? There are three bases. They are:

- The five sense organs introduce sense objects. Thus advertisements are targeted at our Shabda, Sparsha, Roopa, Rasa and Gandha.
- Manaha: The Mind. Ads are only for 20 seconds. They push sense objects to our mind. Mind records the object. It creates a strong Samskara. Mind keeps dwelling on the sense objects. Mind produces Vasana (this is very nice. I want to try it. I want more of it. I cannot survive without it.) Mind does it by avrithi.
- Budhihi: Intellect, contributes to desire by its wrong thinking. What is wrong judgment? The judgment that an external object will make my life happier and more secure. This is the worst judgment, per Vedanta. External world is not a source of joy or sorrow. I alone

am source of both Joy and Sorrow. How can I be cause of both? Citing an example, a garland is lying in a semi-dark room. I mistake it for a snake. It becomes a source of sorrow or fear. When I understand myself as I am, it is Ananda. But not understanding myself is Dukha. So, how to prove that the world is not a source of joy or sorrow.

Citing another example Swamiji says, while one object may cause sorrow one, for another person it may bring joy. Thus, when a person sells his house, he does so probably because he was not happy with it. However, another person buys the house because he likes it. Same thing happens when a man divorces his wife. He now does not like her. She does not bring him joy anymore. She in turn, turns around and marries somebody else, who finds her very interesting and likable.

Thus, the mind, by repeated thinking of an object and the Buddhi, by its wrong judgment, both support Kama.

Shankaracharya's Bhaja Govindam is all about this subject.

These three bases overpower the person and delude him. For a thinking person sense objects become a source of sorrow. Acquiring, maintaining and losing the object, all cause pain. Instead of enjoying what I have, I am reminded of the missing scooter. The more I am used to external crutches the more dependent I become. By covering intelligence, a man becomes deluded.

How Kama attacks and what are its bases were discussed. Now Sri Krishna tells us how to handle Kama?

Shloka # 41:

संयमयेत्सर्वेन्द्रियानि योऽपि भवति धीमान् ॥
संयमयेत्सर्वेन्द्रियानि योऽपि भवति धीमान् ॥ 3.41 ॥

Therefore, mighty prince! First controlling the senses, give

up this wicked craving that destroys knowledge and realization.

Sri Krishna says you have to handle and conquer Kama. Kama covers discriminative power. It destroys Atmagyanam and Atma Vigyanam.

Atma Gyanam is gained in two stages. In first stage, one gets Gyanam. In second stage one gets Vigyanam.

First Stage:

Gyanam consists of Atma (consciousness) and Anatma Viveka. Consciousness is the Nithyaha, Akarta, Abhokta, Nirvikaraha, Aprameya, Sanatanaha, Avyaktha etc. It survives death. Seeker now knows he has Atma. I am the body and I have the spirit. This is first stage.

Second Stage:

In second stage instead of saying I am the body and I have Atma, now we have a shift to “ I am the Atma with a body”. Body is a temporary medium. In waking, I function in this body. In sleep, I don't feel the body. When I set aside the body, I don't experience the world. I am not the body. I am the user of the body. This requires Sravanam, Mananam and Nididhyasanam. This is known as Vigyanam or AparokshaGyanam.

Kama does not allow Gyanam and Vigyanam to come in. When I am immersed in making money, it means Kama has won. One has to find the time for Gyanam and Vigyanam. Scriptural study is compulsory for all, of all ages. Kama obstructs scriptural study. Time is money but nobody says time is moksha. Handle Kama by handling these three bases.

With Best Wishes,

Ram Ramaswamy

Saddharshanam, Class 7

Greetings All,

Shloka # 9:

The world arises and sets with the “I” thought. Therefore, this world is illumined by the “I” thought. The Reality is the abode of the birth and death of the “I” thought and the world. It is One, complete and without birth and decay.

Continuing his teaching and refreshing our memory of last class, Swamy Paramarthananda said, in all these shlokas Bhagawan Ramana Maharishi is stressing the importance of Ahamkara Vichara that leads to Brahman. At that moment Ahamkara and Jagat are reduced to nama and roopa. This is what we learnt in last class.

In the next shloka there is an incidental diversion but an important one.

Shloka # 10:

Let the worship of names and forms of the Supreme , be the means to the vision of Truth. Know that abidance in Reality as “It is me” alone is the vision of truth.

Third and fourth lines of this shloka are discussed first. In previous shloka Bhagawan Ramana Maharishi said Ahamkara Vichara should lead to Adishtana Gyanam or Brahma Nishta. This is Sad Darshanam. Aim of Ahamkara Vichara is Sad Darshanam. What is Sad? It is Brahman. It is Ahamkara Adishtanam. It is the title of this text. When we say Sad Darshanam or Brahma

Gyanam, one can mistake it as knowledge about an object called Brahman. Knowledge of anything means there is an object to know and a subject who knows. One may think of Brahma Gyanam as an object or also as an experience of Brahman. To remove this misconception, Bhagawan Ramana Maharishi says, it is actually abidance in Brahman and not the knowing of Brahman. In Sad is Vastu. **Vastu in Vedanta parlance means Reality.** In common parlance Vastu means things. Meaning of Vasa is "to exist". Vastu means that which remains always or Brahman. Therefore abiding in Brahman is Gyanam. To avoid objectification of Brahman the word abiding is used. The word abidance can also cause confusion as one can think of it as going deep down and sitting on a Brahman, like a carpet. One has to understand the meaning of abidance properly.

What is Brahma Nishta? Abidance is a stage of knowledge where one knows, "that Brahman I am". It is not an object. It is not below for me to sit upon. Brahman is Me. The word Bhava means Gyanam. It is a state of effortless knowledge. It is acquired through Ahamkara Vichara. Brahma Gyanam is Brahma Nishta or abidance in Brahman. It is a stage in which one enjoys the knowledge that I am Brahman, acquired through Ahamkara Vichara.

Once you acquire this knowledge, it is always present. If you say you have experienced Brahman keep in mind it can be displaced by another experience. Any experience is displaceable. Knowledge, however, cannot be displaced. Citing an example, knowledge of your phone number cannot be displaced. Even a great sorrow cannot displace knowledge of your phone number. That is why we work for this knowledge. Once you get the knowledge, you don't have to work for it anymore. It is always there for you. You are in a state of knowledge. Just as you know your phone number all the time, so also you know you are in a state of knowledge because it is retrievable in your mind. It does not require remembering. It should be available at all times. Nishta is a state of

knowledge. You know who you are. Even as we know Ahamkara Gyanam, Atma Gyanam is also now known to us. Atma Gyanam is also available, on demand.

Brahman is neither an object nor an object under me. Brahman is Me. As per Bhagawan Ramana Maharishi this is Saddarshanam. It is called Vichara Marga.

Now comes a question? This is raised in first two lines of the shloka. Is Vichara Marga (Gyana Marga) easy or difficult? Some say it is easy and others say it is difficult. Some parts of the Scriptures say it is easy while others say it is difficult. Gyana Marga is compared to walking on razors edge. The answer is that it depends upon who the person concerned is. For a prepared person it is easy while for an unprepared person it is difficult. For many people, sitting is difficult, for others it is not. The question then is who is considered prepared and who is not? It is a Sadhana Chatushtaya Sampana person who can be considered reasonably prepared. In humanity probably 99% of people are not prepared. The most important quality required is detachment. Detachment means free from Kama, Krodha, Raga and Dvesha. Most of us are not prepared. That is the reason Vedas have kept Gyana Sadhana as the last one. Therefore, Upanishads occur in Veda Anta. So, Gyana Marga is not easy. Bhagawan Ramana Maharishi cannot be considered an example, as he is an exception.

Bhagawan Ramana Maharishi says a person should go through a religious life. One should lead a Dvaita life before advaita. Ramana Cult people miss this point. May you remain in Mithya until Ahamkara matures to pluck you down. Raw fruit is difficult to pluck. When you pluck it oozes in sorrow at the separation. It is not ready for separation. A tree is required for the ripening. At that point Dvaitam loses its charm.

Never criticize puja. Bhagawan Ramana Maharishi was the greatest Bhakta of Arunachala. How to do puja of Brahman? Worship Saguna Brahman in form of Ishta Devata such as Shiva,

Krishna etc.

Bhagawan Ramana Maharishi cannot be quoted as an example as he was genius. Ramana Cult people commit this mistake. Bhagawan Ramana Maharishi warns that do not give up puja. Puja helps with Nirguna Gyanam.

He gives another warning. Dvaita Puja is very important, but never take it as an end in itself. You have to go beyond it. Use Dvaitam to go beyond Dvaitam.

What is the connection between Puja and Vichara? Puja is an indirect means also known as Parampara Sadhana. Vichara is direct means known as Sakshat Sadhana. Puja helps Vichara. Vichara helps Gyanam. Religious life leads to philosophical enquiry. This enquiry then leads to Moksha. It is a very important verse as it teaches the majority of us that we need both Puja and Vichara.

Shloka # 11:

All pairs of opposites and all triads shine, taking the support of some entity. When that is searched, all will get dropped. To them who see the Truth, there is never any wavering.

Now back to Vichara, after emphasizing puja. The entire cosmos that we experience is nothing but Brahman with name and form. On this Brahman appear many names and forms. We look at it as subject and object also called Dvandam. We can also look at it as Triputi (The division of the knower, the known and the knowing instrument or the act of knowing – the pramata, the prameyam and the pramanam). All are one Brahman. Of this Brahman, part is Satyam and another part is Mithya. Mithya has Nama and Roopa. Thus, the entire cosmos is a mixture of Satyam and Mithya (nama and roopa).

Shankaracharya has said: You can never experience pure Brahman. Nor does pure Mithya exist. Whatever we experience is

a mixture of the two.

The very "I", singular, is also a mixture of Satya Atma and Mithya Ahamkara. Therefore, when we talk of Self-enquiry, the enquiry is into a mixture of Atma and Ahamkara. Therefore, in shastras the word used is Viveka or sorting it out rather than Vichara. Atma Ahamkara Viveka is self-enquiry. Since "I ' is a mixture of both it is called Ahamkara Vichara and sometimes Atma Vichara. If both descriptions are right which is a more accurate one? One may ask what do we care?

Swamiji said this information is required to change our attitude. Bhagawan Ramana Maharishi says Atma Vichara is more accurate although Ahamkara Vichara is also acceptable. Enquiry into Mithya won't lead us anywhere as it is a mystery. It leads us only to further mysteries. You get lost going round and round. Don't enquire into Mithya, say the Vedas.

Therefore Atma Vichara will lead you somewhere.

The second answer is Mithya is nourished by ignorance, as it is a false entity. Like in the snake and rope analogy, the snake exists because of ignorance of rope. Rope enquiry leads to rope knowledge that removes the snake. Therefore Vichara is Adishtana Vichara, leading to Adishtana Gyanam destroying Adishtana Agyanam. With this the Mithya serpent is destroyed.

Questions such as: How did the universe come into being? How did the first Karma occur? This is mystery leading to more mystery. Jagat Vichara is not the goal of Vedanta. So, Atma Vichara is Self-enquiry. This is the essence of this Shloka.

With Best Wishes,

Ram Ramaswamy

Bagawat Geeta, Class 48

Greetings All,

Shloka # 30:

सर्वं श्रेयसां परमं धर्मं शिवाय न विदुः ।
सर्वं श्रेयसां परमं धर्मं शिवाय न विदुः ॥3.30॥

“Surrendering all works to Me in a spiritual frame of mind that craves naught, and free from all sense of possessions, fight with unconcern.”

Continuing his teaching on Gita, Swami Paramarthananda said, up to shloka # 35 Sri Krishna is summarizing Karma Yoga. In the 30th Shloka he is presenting the five conditions to become a Karma Yogi. They are:

1. **Adhyatma Chetasa:** Priorities of life must be clear. Spiritual progress must be primary goal; material progress only a secondary goal. Nithya Anithya Vastu Viveka must be there. Nithya means Moksha. Anithya means Dharma, Artha and Kama. I must use dharma, artha and kama to reach moksha. This clarity of the primary goal of life is called Adhyatmachetasa. Shankaracharya calls it viveka budhi.
2. **Mayi sarvani karmani sanyasyadhyatmacetasa:** means purification of mind. The first thing done once an Ashrama is decided upon is to plant trees and dig a well. This is done well before a building comes up. The path to Vedanta is also similar. So let me start purification of mind right away. Only way to purification is by involving God. Everything else is impure. There is only one purifying source and it is

God. And therefore the immediate procedure is to associate your self with God. How do you do that? For this, one should convert every action into a worship.

3. **Nirashi:** Every karma results in some phalam. I have no way of knowing what the result will be. So Karma Yogi has to prepare to receive any result. Know that God cannot do injustice. If there is a gap, it is due to my mistake. God's computer does not make mistakes. Therefore the third condition is preparedness to accept all the consequences that we call as prasada buddhi. Thus we have Viveka Buddhi, Ishvararpana Buddhi and Prasada Buddhi. This is the third condition.
4. **Nirmamaha** If you are successful it is because of invisible factors. Most of them are not under your control. Even success of our class depends on these factors. We depend upon power or its outage. Ishwara Anugraham is very important. This is nirmamaha. So the four factors now are Viveka buddhi, Isvara arpana buddhi, Prasada buddhi, and Amanitvam or Mamatva abhava (nirmamaha).
5. **Samatvam or Vigatjvara.** A natural consequence of first four factors is Samatvam. Jigatjvara means fever. Manasjvara means mental fever. Vigatjvara means Samtavam or equanimity. Equanimity can be disturbed in two ways. First way equanimity can be disturbed is as a **kartha** of a variety of actions. Second as a **bhoktha**. When asked what is life, some one said, it is what happens when you are doing other things. We function in both ways as Kartha and Bhokta. When I perform actions I don't like, I have tensions. There is resistance every moment. When I have a job I don't like, I look forward to the weekend. I dread Sunday nights. I am not happy as a Kartha. If you cannot do what you like, learn to like whatever you have to do, so that you are enjoying whatever you do. A Karma Yogi must be an embodiment of

Utsaha or enthusiasm. This is equanimity as a Kartha.

As Bhoktha I have resistance, I blame every one including god. I have to learn to accept results in equanimity. I know I have to accept, but how to do it? Surrender to God and pray for strength. Pray to him "Oh God, I know you are only doing justice, but I do not have the strength to accept this; please bless me with strength to face what I should face". This is called

Vigatajvaratvam. One has to learn to face consequences. So, Samatvam is the fifth condition.

Shloka # 31:

[illegible]

Those men who invariably conform to this doctrine of Mine-men faithful, un-jealous- are also liberated from works.

In these two shlokas Sri Krishna talks of advantages of following Karma yoga and disadvantages of not following Karma Yoga.

Advantage: There are some lucky people who follow his teaching. They place sincere effort constantly. Every moment one is either a kartha or bhoktha and they follow ,in both states, with total faith. Benefit of Karma Yoga is spiritual as such subtle and often intangible. It is not material success. If it is sakama karma, the invisible benefit is adrshta punyam. Punyam cannot be seen. If it is Nishkama karma, the benefit is purification of mind, this too cannot be seen. I can only say that you practice and see it for Yourself.

So Arjuna, Sraddavantah, with faith in the efficacy of the teaching and Anusuyantah, without Asuyah, follow my teaching.

The word Anasuya means without a criticizing mentality or a

proofreader's mentality. Critical mindedness is a very bad tendency. In this we reject scriptures. Only we will suffer when we do this. Suppose I see some defect in Gita, should I accept it? Two answers come up. **First one**, Let us assume there is a defect. Don't worry about the defect follow the good. Like gold, it is always with some impurities, yet we still hold on to the gold. So take good part of the scriptures. **Second one** is if you feel there are defects in it, it means I have not understood it well enough with help of a Sampradaya Guru. This attitude is called Anasuya and it is a very important attribute of a Karma Yogi.

They will get moksha or become a Jivanamukta. Keep in mind that Karma yoga can only purify the mind. He will still need to through Gyana Yoga and obtain Gyanam.

Shloka # 32:

॥ ज्ञानं ज्ञानं ज्ञानं ज्ञानं ज्ञानं ज्ञानं ज्ञानं ॥
॥ ज्ञानं ज्ञानं ज्ञानं ज्ञानं ज्ञानं ज्ञानं ज्ञानं ॥ 3.32 ॥

“Know them to be an inert and a ruined lot, who, deluded in respect of all knowledge, carp at this doctrine of Mine and refuse to conform to it.”

Having talked about followers of his teaching, Sri Krishna now talks about people who do not follow his teaching. Refusal to follow is easy. Following his teaching is difficult. Karma yoga is teaching us to go by Shastra. It is a Samskrita life. To follow a samskrita life, I have to always fight against my own nature. It is an uphill task. Most religious practices are peculiar. During one month of the year, when you would like to sleep one hour extra, Shastra's tell us to go to the temple at 4 a.m. The Shastra's have kept such rules, as they want to break our laziness or our Tamo Guna.

Such people find excuses to not follow my teachings. They are utterly deluded with respect to knowledge. Knowledge is of two types.

1. Dharma Adhrama Gyana. It is the first step towards Apra Vidya.
2. Atma Anatma Gyanam. It is the next step towards Para Vidya.

These people are confused about both. They don't discriminate.

The shastra's reaching can be taken positively or negatively.

Positive: Shastras teaching can be taken as a prescription for my own good. Shatsra say they will never mislead anyone. Shankaracharya says, the Shruti, the veda, is equal to thousand mothers; just as a mother will not prescribe anything, which is not good for me; shastra will never mislead me.

Negative: Shatra is restricting my freedom. I will follow my own approach. All such people are destroyed spiritually, per Sri Krishna. So Arjuna you must decide the path you want to follow.

Shloka # 33:

सर्वज्ञः सर्वभूतहिते रतः ।
 तस्मात्सर्वभूतहृदि मां भजतु ॥ ३.३३ ॥

"Even a man of knowledge behaves according to his nature. All living beings conform to nature. What can repression do?"

Here Sri Krishna points out that every one is born with a particular personality. Rajas, Tamas and Satva guna proportions decide the personality in each one of us. Satva representing the knowledge faculty; Rajas representing the dynamism or the activity faculty; and Tamas represents the dullness or inertia faculty.

Based upon this, human beings are classified as Brahmana, Kshatriya, and Vaishya etc. Some are withdrawn, some are extrovert, and some are suited for unskilled mechanical work.

And once we know our personality, the ideal thing will be to take up a work that is in keeping with our personality. As I said only when the personality and profession tally properly, I will love what I am doing. Otherwise there will be a strain; and therefore Shashtra's first preference is we take up any action that is in keeping with our gunas.

That is why Vishwamitra became a Brahma Rishi. So, Arjuna go by your prakrithi. You are a Kshatriya. You cannot sit and meditate. You must act.

One acts according to one's prakrithi. Psychologists say a child should be guided along its natural inclinations. Even a Gyani's life is guided by his prakrithi. Each one's life style is different. Even a passive Gyani contributes through his silence.

Even Gods have their different personalities. Even the very musical instruments they keep vary.

Thus, Saraswati can't she have the flute and Krishna can't keep the veena. All beings including animals have their nature they follow. What can restraint do against one's nature? So, go with your Parkrithi.

With Best Wishes,

Ram Ramaswamy

Saddarshanam, Class 2

Greetings All,

Continuing his teaching on Saddarshana, Swami Paramarthananda said, Saddarshana means Brahma Vidya. The text is so called because it deals with this knowledge. The teaching is based on the Prasthan Trayam (Upanishad, Gita and Brahma Sutra). Bhagawan Ramana Maharishi is an Acharya of our tradition. The study of this text should be based on Sruthi Yukthi Anubhava. Sruthi means Vedas, Yukthi means Reasoning and Anubhava means our daily experiences. This is the traditional method of teaching.

Shloka # 1:

“ Can there be thoughts of the existence of objects without the existence principle? (No.) This existence named as Hrt is in the heart itself, free from thought. How can we remember that one immeasurable Existence? Its remembrance is in the form of firm abidance in It.”

The first two shlokas are Mangala Shlokas. Mangala shloka can be divided into three types; They are:

- Ashirvadanam
- Namaskara, offering prayer
- Vastunidesha roopa or statement of truth.

Bhagawan Ramana Maharishi is using the third type of mangala shloka. Many facts are there and stated. Spiritual fact stated here is definition of Brahma-lakshanam. Brahma is the only reality as the division-less, Sat principle. Brahman is the Adishtana of Jiva, Jagat and Ishwara. Satyam, Gyanam, and Anantham (divisionless & infinite) are Brahman.

Brahman is existent Satyam. Whenever we experience an object we also experience something else too. Generally we do not

talk about this second thing. Whenever you experience your body you experience body and another thing that is taken for granted. It is the life principle that pervades the body. It is known only when life goes out. **"It is the existence of the object."** It is experienced as, there is a book, a man, a child etc. "There is" is the existence principle that we experience with every object.

Thus: Man + existence=Man existence or existence experience.

If you have existence experience, it (existence principle) is possible only because it pervades every object. If existence principle is not permeating every object you cannot experience the object.

So, what is this principle?

- Existence principle is not part, product or property of any object.
- It is an independent entity but lends existence to objects.
- It is not limited by boundaries of the object and it survives even when the object ends. The surviving pure principle is not perceivable.

The experience of existence is experienced in "there is" of the principle.

Providing some definitions from the shloka Swamiji says,

Vihaya means without inherence

San means existence principle

Santam means without existence principle

Sat pratyaya means existence and its experience

Every experience presupposes an object of experience. Thus, man-experience presupposes a man outside. This experience

principle is called Satyam Brahman.

Now, Bhagawan Ramana Maharishi talks about Gyana Brahman.

The existence that permeates has to permeate "me", the subject as well. So, every time I say, "I am" it reveals presence of existence in me. It is there in the heart of me, within my mind. In the mind, it is also available as the Consciousness, Witness or Awareness principle. When it is conscious in mind, it is called Hrid or witness consciousness. In mind there are innumerable thoughts. So, consciousness is available in association with every thought that arises in mind. Just as every person in room is enveloped in the light, the moment he or she enters the room, so also thoughts are coated with consciousness. This consciousness associated with thought is called an experience. Thus, we have, say Pot- thought, which is pot experience or Man-thought which is man experience. It is available infinitely in thoughts. In objects outside it is called Existence. In mind it is called Experience.

Every experience reveals Brahman inside. Thought consciousness is associated with every thought. The five principles governing this Consciousness are:

1. It is in every thought but it is not a part, product or property of it.
2. It pervades every thought and makes it a live experience.
3. Consciousness is not limited by boundaries of thought.
4. It survives departure of all thoughts.
5. The surviving consciousness is blankness. It alone is the experience. The surviving consciousness cannot be objectified. It is called Chinta Rahitaha. It is not connected to any thought it pervades, though it pervades it all. If connected it would die with each thought. It survives every thought. Consciousness is called Asunga.

This is called Gyana Brahma or Chit or the Existence

Consciousness that pervades every thought and not limited by boundaries of thought. This existence consciousness is non-dual or undivided. Thoughts are divided consciousness is not. Objects are divided Existence is not. Thus, Existence Consciousness is not limited.

If it is one undivided principle, why call it two names, Existence and Consciousness? If you can have many names why can't Brahman have many names? Many names do not mean anything. Brahman with Objects is called Existence. Brahman with thought is called Experience. Brahman with thought or experience is called consciousness. So, when it is outside it is called Existence. When it is in mind it is called Consciousness.

The two different names are of one Brahman.

We have said, associated with object, it is Existence and associated with Subject, it is Experience. Suppose both Object and Subject are removed? What is Brahman? Here it is the Turium state, the silence. It is division-less Anantam.

Ameyam in shloka means unobjectifiable. If in division-less Brahman there can be no subject or object duality it is called not an object of knowledge or not objectifiable. So, don't ask how to know the division-less Brahman. Satyam, Gyanam, Ameyam, Anantam are all descriptions of the Brahman.

Now Bhagwan Ramana Maharishi asks, how can it be an object of meditation if we cannot objectify it? What is Nidhidhyasanam? And, what is Atma Gyanam, Brahma Gyanam? Bhagawan Ramana Maharishi says meditation on Brahman is only abidance in Brahman without objectification.

Nishta means Abidance. What does this mean?

It means abidance in the knowledge that "I am" Brahman. This Brahman need not, should not and cannot be objectified.

What is abidance in knowledge?

Abidance is non-forgetfulness of the knowledge in and through all transactions. Firm abidance means even during transaction one does not forget.

What do you mean by non-forgetfulness? Does it mean repetition of word or thought?

It is not repetition of word or thought. It means effortless availability of this knowledge. Whenever you want it, it is your. Just like your name, you respond immediately. If this knowledge is accessible to you at all times, during all transactions, it is Brahma Nishta that “ I am Brahman”. This is the idea when we say Brahman is Satyam, Gyanam, Ameyam, and Anantam.

Shloka # 2:

“For those who, being afraid of death, have sought shelter in the conqueror of death, the “I” notion dies first. Thereafter in them (who are) by nature immortal, where is there any room for the notion of death?”

This is also a statement of a fact. This is called Shiva Puja Mahima. Glorifying Shiva worship by talking of this puja's utility to a Samsari.

Who is a Samsari? An ignorant person who is ignorant of the division-less Brahman and as such remains in field of division that is Jiva (first person)-Jagat (second person)-Ishwara (third person).

Because he is in division or in finitude or in limitation, he fears mortality or fear itself. This Samsari is in grip of fear or sense of insecurity. Mrityubhihi means sense of death. Constant friend of Samsari is fear. Such Samsari's if they worship Shiva to get security, what will happen?

For Shiva, Bhagawan Ramana Maharishi, gives the name

0000000000 000000 0000000000000000
 0000 000000 0000000 000 00000 0 00000000**3.28**

“O Hero! On the contrary, the knower of truth of the distinction between constituents of Prakṛti and their operation does not attach himself to works knowing that constituents operate amidst constituents.”

Continuing his teaching of the Gita and refreshing our memory of last class Swami Paramarthananda said Sri Krishna is talking about the duties of a Gyani, who continues to be a grihastha and who continues to be in the society. Since he is in society, he must be careful with respect to his lifestyle. He will still do things although he does not benefit from them. By performing Karma he is not benefited, nor is he affected by not performing them. Nevertheless, he has to perform Karma for society's benefit.

Difference between Agyani's action and Gyani's action are: That one acts without happiness while other acts in happiness. Gyani has discovered Atma and he is able to see Ahamkara as an insignificant and incidental I. For Agyani, Ahamkara is very important. He feels Ahamkara's ups and downs as his own. In case of Gyani although he has recognized his higher Self he does not neglect Ahamkara. He just puts it in its place.

Ahmakara as the body-mind complex is called Prakṛiti Guna.

Shloka # 27 describes how an ignorant person identifies with Ahamkara and is enamored with it and suffers in the process. He is a Karta and Bhogta. Bhokta always enters a mess. Having talked about an Agyani who is lost in the ahamkara, now in this verse, Sri Krishna talks about the Gyani who sees the ahamkara and gives it its importance, but not over-importance. So Gyani is one, who knows the truth about the guṇa and karma; guṇa means prakṛti guṇa; prakṛti guṇa means ahamkara; therefore guṇa karma means ahamkara and its actions. Gyani knows the truth about ahamkara and its actions. The truth is that ahamkara can never escape from action.

Ahamkara will have to be eternally active.

The Phalam's of action can be painful. The Gyani lets Ahamkara have its own life. Ahamkara as the Prakriti Guna (body-mind complex) is material in nature. The world is also Prakriti Guna (a product of matter). The Ahamkara and world will eventually interact. This interaction produces pleasure and pain. One cannot escape them. People try to escape through drinks and drugs and get into even worse conditions. Gyani knows he has to interact with the world.

Even though he interacts with world, he is in Chaitanyam and as such is not affected. This is just as in a movie the characters do not affect the movie screen. Discover your higher self. Let Ahamkara interact with the world without affecting yourself. Gyani can observe Ahamkara objectively. Our problem is not death of body. I accept death of another body, but cannot accept my own body's or near and dear ones body's death. This is not objective. Vedanta is able to look at my own body objectively as well. Problem is not with God or World.

If nobody dies, consider all great -great- grand fathers who will be surviving. God had kept physical mortality correctly. We are not objective. Others may die, but I and mine should not, is our thinking.

In Tirupati when the Que is slow we curse, but when I am in front of God, why don't I get enough time? We look at our body mind complex subjectively. Gyani looks at body mind complex everywhere objectively without criticism. He accepts every thing without resistance. This is Jivan Mukti. He remains detached.

Shloka # 29:

॥ अहंकारं प्रकृतिगुणं तन्मयं जगत्प्रसूतम् ॥

॥ अहंकारं प्रकृतिगुणं तन्मयं जगत्प्रसूतम् ॥ अहंकारं प्रकृतिगुणं तन्मयं जगत्प्रसूतम् ॥ 3.29 ॥

“Those who are deluded by Prakrti’s constituents cling to the works of these constituents. The knower of the whole ought not to destabilize the dull and partial knowers.”

Sri Krishna talks of Agyani. Agyani does not have objectivity with respect to prakriti Guna or the body-mind-complex. They want two sets of laws. One for themselves and another for others. And because of this delusion, they are totally immersed in guṇa karmasu. So they are immersed in ahamkara and its activities. So

Immersed that they have no time to even ask the question, am-I this karta& bhokta? That question does not come up because ahamkara keeps that person busy throughout his life; from boyhood, youth, adult and old age they are immersed in ahamkara without ever taking time to ask the question “Who am I?” Ahamkara keeps them busy through out their life.

What can you do? What advice can a Gyani give to an Agyani? Sri Krishna says, never ask them to renounce Karma. While Karma phalam is bondage, it is still required to ripen the Ahamkara. Karma has negatives but it also has great positives. Fruit in it’s initial stages is when the skin is raw the skin won’t peel off. But once it ripens the skin comes off easily. That is why there are four Ashramas. They are like skin to ripen a person. Once he has gone through family life, he ripens. I had five theories of growing children. Now I have five children and no theories. Once Jivatma has ripened we will get detached from everything we are attached to.

In this shoka some meanings are:

Krishnavid: Total knowledge of Ahamkara and Atma. Akrishnavid means Agyani. They know Ahamkara but not Atma.

Manda means Agyan.

Gyani should not confuse Agyani by emphasizing Sanyasa. Unripe person taking Sanyasa is not good for him or for society.

Encourage him to remain in duty. Once he ripens, attachments will naturally drop off. In this ripe state you will drop a lot of things and you will do it naturally. You will grow out of attachment.

Shloka # 30:

सर्वं ध्यात्वा मे कुरु कर्माणि ध्यात्वा मे कुरु कर्माणि
ध्यात्वा मे कुरु कर्माणि ध्यात्वा मे कुरु कर्माणि 3.30

“Surrendering all works to Me in a spiritual frame of mind that craves naught, and free from all sense of possessions, fight with unconcern.”

With the previous verse, Krishna’s advice to Gyani is over; which started from the

21st verse. Krishna’s first advice was to Agyanis and the second advice is to Gyanis. Agyanis have to do karma for Chitta Shuddhiḥ; Gyanis have to do karma for loka sangrahaḥ.

Gyani’s karma is not that of a Karma yogi. Agyani’s karma is that of a karma yogi. Gyani’s duty related topic has now concluded.

In Shloka # 30, Sri Krishna comes back to Karma Yoga . Shloka # 29 was for Gyani. Shloka # 30 is now for an Agyani. It sums up Karma Yoga.

Arjuna, either way you have to perform karma Yoga. Karma Yoga is a five-fold discipline.

They are:

1. **Adhyatma Chetasa:** Viveka Budhi or right knowledge or discrimination. It is awareness that spiritual goal is primary goal of life. The awareness that spiritual goal alone is the primary goal of life. My life is

meaningful, purposeful, and valid, only if it is dedicated to the primary of spiritual knowledge or mokṣaḥ. ॐBrihadarāṇya Upanishad says that only that person whose spends his life for self-knowledge, and dies after gaining self-knowledge, only that person deserves the title brahmaṇa; Goal is to be dedicated to Moksha. It does not mean Dharma, Artha, Kama should not be pursued. These four should not be an end in itself. Our primary effort should be towards Self Enquiry.

2. **Mayi sarvaṇi karmaṇi sannyasyadhyatmacetasa.** Sri Krishna says, offer all actions at my feet with Ishwara arpana budhi. Offer everything to me. Entire creation is manifestation of God. Anything, anywhere, you offer to God becomes worship. Convert work to worship. Naturally then I do my best. The actions must be wholehearted, sincere, done without grumbling and without grudging. Even the grossest of jobs, he does with love. So therefore the second condition is worship. Convert work into a worship.
3. **Nirashi:** Being not concerned about results. Nirashi also means dropping kartr̥tva. Sri Krishna does not say that one should not plan for result. Every action is towards a result. He objects to worrying about it. He says plan, implement and leave rest to God. Planning is a deliberate action at a particular time. You can also change it. Worry is something that just happens. It is a reaction. Planning makes you efficient. Worry makes you inefficient. Both are for future. Vedanta does not criticize planning. It criticizes worrying. Swamiji, I do not want to worry; but what to do, it is there in my mind, especially when I sit in meditation. Whether Bhagavan comes or not, worry always comes first. What should I do? Worry is because of our inability to face the future. It is born out of mental weakness. Worry is our unpreparedness to face the adverse situation that

may come; therefore the only solution for worry is preparedness. I have made plans and hope for the best and be prepared for the worst. Therefore, Nirashiḥ here means preparedness for the future.

4. **Nirmamaha**: Freedom from Mamakara. When success comes, I take all the credit. The moment failure happens you blame somebody else. So when your success comes, don't take credit. It is due to many factors and many hidden variables. Because they are favorable, it was a success. This was due to Bhagawan. Bhagavan is all the hidden variables put together. Be grateful to God for success. Let humility be there.

With Best Wishes,

Ram Ramaswamy
