

Prasna Upanishad – Class 1

On November 8, 2015, the Vedantic Study Group of HTGC started to listen to Prasna Upanishad by Swami Paramarthananda.

Swamiji started the class with the meaning of Vedanta:

- Vedantaha: Because this comes at the end portion of vedas,
- brahma vidhya because this deals with the knowledge of Brahman
- gyana kandaha: In this part of vedas only knowledge is discussed and not karma

Then Swamiji discussed different meanings of the word Upanishad :

1. Destroyer of samsara or sorrow;
2. Upani means taking Jivatma near Brahman; Shath means destroys ignorance that causes division between jivatma and paramatma as well as anything born out of ignorance: samsara, (ahangakra, karthrutwam, kama, karma, karma palam punarjenma and suga dhukkam)
3. That which unites paramatma and jivatma and destroys samsara.
4. The word Upanishad or vedanata can refers to the book or the knowledge that born out of the book is also Upanishad. Upanishad as sabtha or sound is Pramanam (means); Upanishads as knowledge is praman (result); the literature or the sound is pramanam and praman the result is gyanam. The knowledge born out of the Upanishad is the primary meaning of the Upanishad.

Prasna upanishad belongs to Atharvana Veda and one of the upanishads commented by Sankarachariyar.

This upanishad is a commentary on Mundaka Upanishad. Apra Vidya and apra vidya is mentioned in Mundaka Upanishads will

be elaborated in Prasna upanishad. Condensed version in Mundaka Upanishads are manthra upanishad and elaborated versions in Prasna upanishads are brahmano Upanishads. Brahmano portions in Mundaka Upanishads are elaborated in Prasna upanishads. Chapters elaborated in Prasna Upanishad are:

1. Krishna and chukla Gathi
2. Upasana prana or hiranyagarba
3. Upasana
4. Brahama Vidya through susukthi
5. Om Kara upasana
6. Brahma Vidya through param Brahman

Prasnaha means question; each chapter begins with question and each chapter is answer to that question. Each question is asked by six different students.

Shanthi Pada: My sthula, shuksma sareeram should function in a fitting manner so that I can absorb the teaching. This shanthi pada is same as the one in Mundaka Upanishads and as a result, Swamiji did not elaborate the meaning.

Verse 1

The first two mantras are introductions by way of bringing the teacher and student together. In this mantra six students are introduced. Each student has two names. The first name is an original name and second is based on parampara. They are: Sukesha Bharadvaja, Satyakama Sibi, Surya Garga, Kausalya Asvalayana, Bhargava Vidharbha, and Kabandhin Katya. The names tell us of their great parentage. It informs us that they had good Samskara. Samskaras are there to create Shraddha in Vedas. All of them are well qualified. They are all Gyani's. They have now come for higher knowledge. This mantra also teaches us:

- Upanishads should always be learned from a Guru
- Unlike Science where new or fresh information is

constantly sought after, in the area of spirituality, the old and traditional knowledge is prized more. The teacher is thus following tradition. There is no new topic or new method. Thus the glory of Sampradaya is emphasized. While in most sciences, a scholar is recognized by their new contribution, in Vedanta it is important to follow the teachings of previous guru's and teachers.

Discussion Summary, September 27, 2015

An Excellent summary by Ram Ramaswamy.

Moving on to Part 2, Cantos 3, Mantra Swamiji says this third and final section of Katho Upanishad deals with Atmavidya, Brahavidya Sadhanani and preparation for Brahavidya.

Mantra #1: This is an important mantra. It deals with nature of Brahman. Yama now compares Creation to the Ashwatha Vriksha or Pipal Tree. Shankara in his commentary says there are many things common between the two. Describing them, he says:

1. Both are vast in size.
2. Both do not have a beginning or end. Thus, the tree was from the seed of another tree and so on and on until we do not know when it started. So also with Creation. It came into being due to Karma. Karma came into being because of creation. This endless paradox has been going on and knows one knows what started it all. The same is true of Creation itself. One creation after another keeps coming in an endless parade.
3. It is inexplicable. We cannot say which is the cause and

which is the effect. Is the tree the cause or the seed? Same with free will and fate, they are all mutually dependent.

4. There is an invisible root underneath the tree that nourishes it. It is also the cause of the tree. It is same for Creation. There is one invisible root called Ishwara.
5. Both have branches spreading widely. Some are upper, some middle and some lower. So also with Creation; you have Bhu-loka, Patal-loka etc.
6. Both bear fruit, called Phalatwam. Every tree bears fruit. Some are sweet, some sour and some a combination. So also with Creation, we have Sukha, Dukha and Mishraphalam.
7. Because of the fruits, many birds nest on the branches that support them. It is a very noisy tree. Thus also with Creation that provides Jivatma (birds in the body) to nest in the Bhu-Loka branch. Sometimes the nest changes to another higher or lower branch or Lokas. The world is a very noisy place says, Shankara, full of music, laughter and wailing.
8. Even this large and powerful tree is moved by powerful winds. So also Samsara is moved by Prarabhda Karmas. Swamiji clarified that Prarabhda Karma includes my karma as well as karma of my surroundings.)
9. Swamiji says, even this large endless tree can be uprooted. Cut off the branch, trunk and root and it permanently destroy the tree. So also the sword of Knowledge can destroy this Samsara. The aadhara of Samsara is the Atman, says Swamiji. Just as one holds on to the chain link when taking a dip in the fast moving river, so also hold on to Brahman even as you dip into this fast moving Life, says Swamiji. There is nothing that can exist outside the Brahman.

Elaborating further, even the biggest dream is in the Waker. Nachiketas asks Yama why are you talking about Brahman when I

wanted to know about Atman. Yama tells him: You are everything. You are Brahman.

Mantra # 2:

Providing further clarification Swamiji says, Brahman is the intelligent cause of life. Just as dream world emerges from the Waker, everything emerges and functions in presence of Brahman. He is the creator and maintainer of everything.

Swamiji says Brahman also polices this Creation ensuring the Universe functions in an orderly manner. This policing intelligence is also called Ishwara. Those who know this achieve immortality. Swamiji adds every suffering we undergo is a punishment for some violation. Every violation of Dharma results in sorrow.

Suggested Practice:

Mr. and Mrs. Narayan recently visited Swamiji during their trip to Chennai. They informed him of our group's activities. Swamiji was very happy. He suggested that the Vedanta group read and practice the teachings of Chapter 17 of the Geeta. This chapter deals with the Gunas or our qualities.

Golu Padi with PVC Pipes

Navarathri/Dasara is fast approaching and many people from India celebrate by displaying golu. Here are some instructions on how to build a five step golu padi at less than \$100.
